**OTHER ENTITIES****PROPERTY****REPORT NARRATIVE****ORIGIN:**

Officer Weber and I are currently assigned to the uniformed gang suppression unit for the Oceanside Police Department. Our primary duty is to identify and document gang activity throughout the City of Oceanside.

On 07-14-14, Oceanside crime analysis unit forwarded a special bulletin via email from SDSO Encinitas Station to all OPD Officers regarding suspect Brandon Fraser [REDACTED]. Fraser was wanted for commercial burglary, which stolen items were recovered at his house including firearms. Fraser had a felony warrant for his arrest for PC 496 and probable cause for his arrest for PC 496 from the Sheriff's Department. It was unknown if he was still in possession of a firearm. See attached copy of "BOL" for further details.

On 07-15-14 at 1918 hours, I was contacted by Kevin Laney from the U.S. Marshals who stated they were conducting surveillance at [REDACTED] and had direct observation on the subject. Laney asked OPD to assist them with taking Fraser into custody.

## OFFICER'S OBSERVATIONS AND ACTION:

On the above listed date and time, Officer Weber and I were in uniformed patrol in an unmarked police vehicle. Our police vehicle is a Ford Crown Victoria equipped with emergency lights and siren (including a forward facing red lamp). I was contacted by Kevin Laney from the U.S. Marshalls service who stated they had direct observation on Fraser in the driveway of [REDACTED]. The Marshals conducting surveillance described Fraser as a WMA wearing a black short sleeve T-shirt and khakis. Fraser was seen standing next to a white Hyundai sedan with black rims bearing CA plates [REDACTED]. Officer Weber and I responded with two additional two officer units to the area to assist with the apprehension. They were Officers McCutcheon and Williams, and Officers Lopez and Munoz. Both pairs of officers were also in unmarked police vehicles equipped with emergency lights and sirens. Officer Weber (driving the police vehicle) and I were in direct radio contact with the Marshal's service who advised us that Fraser entered the white Hyundai (mentioned above) and drove onto westbound Fieldgate Rd. towards Emerald Dr. Officer Weber and I were on Emerald Dr. waiting near Fieldgate Rd. when we observed the suspect pull up to the stop sign at the intersection with Emerald Dr. I immediately recognized Fraser from the photograph I had seen and confirmed he was driving the white Hyundai. Fraser turned south onto Emerald drive and Officer Weber pulled behind Fraser as he continued southbound on Emerald towards Lake Blvd. As passenger, I took responsibility for radio communications and indicated the suspect's direction of travel as we followed him west onto Lake Blvd. We waited until Officers McCutcheon/Williams and Officers Lopez/Munoz were behind us on Lake Blvd before we activated our emergency lights and siren to attempt a traffic stop on Fraser for his active felony warrant. Officer Weber and I attempted to conduct the traffic stop on westbound Lake Blvd. near Kings Court. Initially, Fraser continued driving west on Lake at the same rate of speed (approximately 45 MPH) but did not yield. As we approached Kings Ct., Fraser immediately accelerated to approximately 75 MPH (in violation of CVC 22350(a) Unsafe Speed) and I informed OPD Dispatch we were in pursuit. Fraser continued west on Lake Blvd at approximately 75 MPH passing through the Skyhaven Ln., Mira Monte Dr. (green light) and Thunder Dr. (green light) intersections in the number one lane. Fraser weaved unsafely in the number one and two lanes as he passed Thunder in violation of CVC 21658(a) Unsafe Lane Change. As we passed Thunder Dr., K-9 Officer Trabelsi attempted to enter the pursuit and pulled in front of our police vehicle causing us to have to slow down significantly. Fraser continued west on Lake Blvd. through a green light at Esplanade St. at approximately 75 MPH towards College Blvd. We were approximately 200-300 yards behind Fraser as he turned north onto College Blvd. through a solid red light in violation CVC 21453(a) Stop Light Violation.

We continued behind Fraser north on College Blvd towards Plaza Dr. at approximately 50 MPH in the number one lane. Fraser continued north through the green light at Plaza Dr. and the green light for the SR-78 EB exit onto College. We were approximately 300 yards behind Fraser at the point he entered the left turn pocket of northbound College onto westbound Vista Way. I could see Fraser veer to the left but it

appeared he was continuing northbound on College Blvd. As we approached Vista Way, Fraser was just south of the intersection with Barnard Dr. continuing north. At that point I realized Fraser had opposed traffic [in violation of CVC 21651(a)] from Vista Way to Barnard Dr. and was traveling north in the southbound lanes of College Blvd. I advised OPD Dispatch the suspect had opposed traffic as Fraser continued north towards Roselle Ave. Due to Fraser's lack of regard for public safety, Officer Weber and I began to slow down and I attempted to terminate the pursuit on OPD radio. Due to other officers using the radio, I was unable to transmit. Several seconds later, Fraser turned west onto Roselle Ave. and began to drive in the correct side of traffic at approximately 45 MPH. As a result, Officer Weber and I decided to continue the pursuit.

At that point of the pursuit, Fraser was several hundred yards ahead of us and out of sight. There were numerous people outside of their houses during the pursuit and we received numerous hand signs from citizens to locate Fraser for the remainder of the pursuit. Additionally, since Fraser was out of sight we could not determine any further vehicle code violations. We continued west on Roselle Ave. and had numerous witnesses pointing west as we drove. We approached Cameo Dr. and another unknown witnessed pointed west; we continued west on Cameo Dr. towards Rancho Del Oro Dr. We turned south onto Rancho Del Oro Dr. and had another witness point south. As we continued south on Rancho Del Oro, a subject standing on the west sidewalk pointed west on Golfers Dr. We entered the neighborhood and numerous witnesses standing in their front yards continued to point west until we arrived at the T intersection with Birdie St. A man standing in his front yard pointed south towards Back Nine St. Officer Weber and I made the 180 degree turn onto Back Nine St. and located the Hyundai parked in the driveway of [REDACTED] with its doors open.

The property at [REDACTED] is adjacent to the El Camino Country Club golf course. A witness informed other officers that Fraser ran down the back slope of [REDACTED] and onto the golf course. Officer McCutcheon observed Fraser run northwest across the golf course into a thick bush. I took a perimeter position on the hillside above the bush as other units arrived to assist. Ultimately, Officer Trabelsi arrived with his K-9 partner. While standing on the hillside above Officer Trabelsi's position (approximately 100 yards away) I could clearly hear him give numerous commands for the suspect to come out of the bushes or the K-9 would be deployed and bite him. Ultimately, the K-9 located and bit the suspect. I left my position on the perimeter and helped place the suspect into handcuffs. Officer Wheeler ultimately placed Fraser in the back of his police vehicle and transported him to the parking lot of the golf course so he could be evaluated by the Oceanside Fire Department (OFD) for the dog bite and shortness of breath. OFD arrived and decided to transport Fraser to Tri City Medical Center (TCMC) for evaluation. I accompanied Fraser in the back of the ambulance to TCMC.

At TCMC, I admonished Fraser of his Miranda rights using my department issued notebook. Fraser stated he understood his rights and wanted to talk about the incident. Fraser essentially stated he knew he had a warrant and knew we were the police when we attempted to conduct a traffic stop. See his complete statement below for further details. Fraser was treated for injuries sustained during the altercation (see below for further details) and ultimately booked into VDF by Officer Heathman for his

active felony warrant (#SCN321208) issued on 5-7-14 by Judge Carlos Armour of the North County Superior Court for PC 496(a) with no bail. See attached copy for further details.

## STATEMENTS:

### Brandon Fraser (Suspect):

Fraser essentially stated he saw a blue unmarked police car turn around and follow him on Emerald Drive. Fraser said he knew he was "done" as soon as the police car was behind him. Fraser said he knew he had a warrant and wanted to try as hard as he could to get away. Fraser said he hid in the bush and heard officers telling him to come out or he was going to get bit by a police dog.

## EVIDENCE:

FET Medford responded to the hospital and took digital photographs of the injuries to the suspect. See his report for further details.

## INJURIES:

Fraser had several lacerations and puncture wounds to the bicep/triceps area of his left arm as a result of being bitten by Officer Trabelsi's poice dog. See Officer Trabelsi's report for further details. Fraser also had a tennis ball sized red welt to his upper left back caused by 40 MM foam projectile deployed by Officer Williams. See Officer Williams report for further details. Fraser's injuries were photographed by FET Medford; see his report for further details.

**INDIVIDUAL/S****REPORT NARRATIVE****ORIGIN:**

On 07-15-14 at 1918 hours, Oceanside Police Officers from the Uniformed Gang Suppression Unit were helping U.S. Marshalls conduct surveillance at 3558 Evening Canyon Road in Oceanside on a wanted burglary suspect, possibly armed and dangerous by the name of Brandon Allen Fraser [REDACTED]. U.S. Marshalls observed Fraser earlier at that location and described him as a WMA wearing a black short sleeve T-shirt and khakis. He was seen driving a white Hyundai with black rims bearing CA plates [REDACTED].

On 07-14-14, Oceanside crime analysis unit forwarded a special bulletin via email from SDSO Encinitas Station to all OPD Officers regarding suspect Brandon Fraser. Fraser was wanted for commercial burglary. Some of the stolen items were recovered at his house including firearms. Fraser had a felony warrant for his arrest for PC 459 and PC 496, and was unknown if he was still in possession of any other firearms.

On 07-15-14 at 1940 hours, Officer Keim (GSU) requested emergency traffic from dispatch and advised that he and his partner Officer Weber were in pursuit of Fraser's vehicle heading west bound on Lake Blvd at speeds of 75MPH (see Officer Keim's report for details/same case number).

**OFFICER OBSERVATIONS AND ACTIONS:**

I advised dispatch on primary that I had positioned my Police vehicle at Lake Blvd and Thunder Drive to assist with the pursuit, when requested. I already had my overhead lights on without the siren. As soon as the suspect's vehicle and two OPD GSU police vehicles passed my position, I activated my siren and joined in the pursuit, in the number three position. The pursuit terminated when the suspect parked his vehicle in a driveway on Back Nine Street and fled the area on foot.

At the conclusion of the pursuit, I stopped my police vehicle, took my K-9 Partner Maximus out of the vehicle and ran down hill on foot to the golf course with Sergeant Weese. This is the area the suspect was believed to have ran. My role was to be another less than lethal force option for the event. As I arrived near hole number 14 on the golf course, Officer McCutcheon advised that he last saw Fraser run into some palm trees and thick bushes on a hillside. I looked west of me and I saw multiple palm trees, regular trees and thick bushes at the bottom of the hill. Daylight was fading and lighting was poor in the area. We believed he had been contained in this area. Numerous citizens were present on the top of the hillside, thus putting themselves in danger. Officers tried to keep them in places of safety, but several refused to return to their residences. The proximity of the citizens to the suspect's location further concerned the officers on scene, as the potential danger to the citizens added to the imperativeness of the situation to take him into custody.

The perimeter was set around this area while OPD Officers talked to witnesses in the immediate area. Their interviews led the officers to believe that Fraser had not left the area, and determined that Fraser was hiding in the palm trees/bushes area. At about 2000 hours, I positioned myself behind the front fender of a police car, grabbed Maximus by the collar and made three loud K-9 announcements, "Attention in the trees and bushes, this is the Oceanside Police Department with a K-9. Brandon Fraser, Come out now or I will send the police dog. He will find you and bite you. Fraser this is your last chance, come out now or I will send my Police dog, he will find you and bite you." I waited approximately 30 seconds between each verbal announcement to no avail. Officer Keim, who was positioned on top of the hillside heard my commands, indicating that the suspect hiding between Officer Keim and our position could hear and understand our orders.

Due to the nature of the crimes and the suspect refusing to comply with orders to surrender and his continuance of resistance and flight:

I weighed these factors:

- The severity of the crimes: Fraser was wanted for a felony warrant for PC 459 and PC 496, unlawful possession of firearms, CVC 2800.2 (a) Felony evading and was believed to still be armed with a firearm.
- The suspect posed an immediate threat to my personal safety, to my cover officers and to the community.
- He was not searched and it was unknown if he had a firearm or other dangerous weapons in his possession.
- The suspect was actively resisting arrest and attempting to evade arrest by flight, was hiding in dense foliage and was not visible.
- The suspect refused to follow multiple verbal commands to surrender. He had already fled the scene in his vehicle and then fled on foot.
- The hill and the brush/tress area was extremely thick, and the risk of injury from the terrain to search for the suspect, risk of assault and danger posed by the suspect to officers if they attempted to search for him was extremely high.

With all these factors in mind, I decided to use PSD Maximus to assist me with locating and taking Fraser into custody. I ordered Maximus to search the area for the suspect. Maximus ran up the hill half way, then turned around and ran into a big palm tree in between the brushes. Maximus then came out, stood still for a few seconds between a big palm tree and a smaller one and then ran into the smaller tree covered with bushes. At that moment, I heard loud yelling and thumping sounds.

Fraser started to scream for me to take my dog off the bite. I was unable to see Fraser or my dog inside the brush. I ordered Fraser to come out in the open where we can see him, which he did. I then instructed him to show me his hands but he refused, instead reaching for something in his front waistband with his right hand. I saw Maximus biting Fraser's left upper arm area. I instructed him again to show his hands. We moved toward Fraser and K9 Max, where I grabbed Max by his collar and gave him the command to release, which he did.

Other OPD Officer placed Fraser in custody. After the fact that he was placed under arrest, I observed that Fraser had sustained three puncture wounds and some scratches to his left bicep/upper arm area. I requested medical attention for Fraser due to the dog bite, per Policy. OFD responded to the scene and transported him to Tri-City for treatment. An FET was also requested to take pictures of Fraser's injuries. FET Medford responded and processed the scene (See his report for details).

Maximus was not deployed with the intent to cause death or great bodily injury to the suspect. He was deployed to avoid injuries to arresting officers and to the public as well as safely taking the suspect into custody. As I was walking Maximus away from the scene, I observed that he was bleeding from his nose and that the left side of his nose/muzzle was swollen. I advised K-9 Unit supervisor Sergeant Novak of Maximus's injuries. He instructed me to take him to the vet. I took Maximus to the Pacific Animal Hospital, where he was diagnosed with small wounds to the left side of his mouth, nose, and snout from the incident. Max was released and taken out of service for the rest of the work day, per the Vet's orders. He was prescribed some antibiotics for his injuries. It is unknown how Maximus sustained his injuries during the apprehension of Fraser. The swelling could have been from strikes from Fraser or being struck against the palm tree, the vet was unable to locate the direct cause. The vet bill was \$273.30, which should be included in the case against Fraser for restitution.

He was seen driving a white Hyundai with black rims bearing CA license plates [REDACTED].

**OFFICER'S OBSERVATIONS AND ACTION:**

At approximately 1940 hours, US Marshalls positively identified Fraser get into the above vehicle and advised us he was driving away from the residence and towards Emerald Drive. Officer McCutcheon and I responded to the area of Lake and Emerald where we observed Fraser's vehicle make a right turn onto Lake Blvd to precede westbound from Emerald Drive. I observed Officers Weber and Keim pull up behind Fraser's vehicle and initiate a traffic stop by activating their emergency lights and siren. We pulled our vehicle behind Officers Weber and Keim to assist with the traffic stop but Fraser refused to pull to the side of the road. At that point I initiated our vehicle siren and Officer McCutcheon continued to follow Officers Weber and Keim. Officer Keim requested emergency traffic from OPD dispatch and advised he and his partner were in pursuit of Fraser's vehicle which was traveling west bound on Lake Blvd just east of Sky Haven Lane at speeds of 75MPH (see Officers Keim and Weber's report for pursuit details/same case number). Fraser continued westbound on Lake Blvd until he reached the intersection of College Blvd where he preceded north bound onto College Blvd. At the intersection of College Blvd and Vista Way, Fraser began driving his vehicle north bound in the south bound number one and two lanes of College Blvd in an apparent attempt to evade police and elude capture. At the intersection of Roselle Drive and College Blvd Fraser's vehicle made a left turn to precede west bound on Roselle. Fraser's vehicle continued west bound to the intersection of Cameo Drive and then preceded south bound on Cameo. At the intersection of Rancho Del Oro and Cameo Drive Fraser preceded south bound on Rancho Del Oro to Golfers Drive where he preceded west bound. Fraser continued on Golfers, preceded south bound onto Birdie Drive, and then north bound onto Back Nine Street.

As we caught up to Fraser's vehicle, I noticed he parked it in the driveway of 2306 Back Nine Street and was no longer inside. A pedestrian who was standing on the corner of Birdie and Back Nine when Fraser parked his vehicle said he saw a white male adult exit the vehicle and run behind the houses toward the El Camino Country Club Golf Course. Officer McCutcheon and I immediately ran to the pathway and down the embankment toward the golf course. Officer McCutcheon advised OPD dispatch and responding units he observed Fraser running north bound on the fairway of the golf course. Officer McCutcheon maintained observation of Fraser during this time and then lost sight of him near some palm trees and bushes. Officer McCutcheon and I along with Officers Weber and Keim set up a perimeter around the trees and bushes where Officer McCutcheon last saw Fraser. We held our perimeter positions until OPD K-9 Officer Trabelsi and his partner Max arrived on scene. While maintaining our perimeter position I advised Fraser we were the Oceanside Police and gave him multiple commands to exit the bushes with his hands up. Fraser ignored all my commands. Officer Trabelsi arrived on scene with his partner Max. Officer Trabelsi gave several K-9 admonishments for Fraser to exit the bushes but Fraser ignored all commands.

At that point, Officer Trabelsi ordered Max to search the area (see Officer Trabelsi's report for details). After a short period Max located Fraser inside the bushes. I was unable to see Fraser or Max. I could hear Fraser yelling and sounds of movement inside the bushes. For officer safety reasons Officer Trabelsi ordered Fraser to come out to the open so officers could see him. Fraser complied but refused to show his hands. Fraser laid down on his stomach and placed both hands toward the front of his waistband as if he was reaching for something. Officer Trabelsi ordered Fraser a second time to show his hands but Fraser refused. Due to the fact Fraser intentionally fled from officers to avoid capture, him hiding in the bushes and refusing to surrender after multiple commands to surrender as well as him refusing to show his hands after Max attempted to apprehend him I feared he was reaching for a weapon to harm officers or OPD K-9 Max. I deployed one Def-Tec eXact iMPact 40mm less lethal munition from approximately 7 to 10 feet away to his upper left torso region in order to gain compliance from Fraser. Officer Trabelsi ordered Fraser to show his hands but Fraser refused and continue to reach toward the center of his waistband. I deployed a second Def-Tec eXact iMPact 40mm less lethal munition from approximately 7 to 10 feet away to his upper left torso region in attempt to gain compliance from Fraser. Officer Trabelsi ordered Fraser to show his hands and Fraser began to comply with Officer Trabelsi. Once Fraser showed his hands Officers Keim and Weber handcuffed him and further detained him as we continued our investigation and waited for OFD to arrive on scene.

**INDIVIDUAL/S****REPORT NARRATIVE****ORIGIN:**

On 07/15/14 at approximately 1918 hours, Officer D. Williams and I (Officer F. McCutcheon 4Z2) were working uniformed gang suppression. We were in an unmarked patrol car. The patrol car is equipped with police emergency red lights and siren. I was driving. Officer Williams was seated in the right front passenger's seat. We assisted Officers L. Weber and R. Keim (3Z2) on a traffic stop of a 2006 Hyundai (white 4 Dr., [REDACTED] W/B Lake Blvd. at Sky Haven Ln. The vehicle was being driven by Brandon Fraser, who was wanted for commercial burglary.

**OFFICERS OBSERVATIONS AND ACTIONS:**

I observed Officers Weber and Keim traveling W/B Lake Blvd. at Sky Haven Lane in their unmarked patrol car, within close proximity, behind the listed 2006 Hyundai traveling W/B. We knew the Hyundai to be occupied by wanted suspect Brandon Fraser. I saw the red police stop lights activate on Officer's Keim and Weber's patrol car, as they attempted to conduct a traffic stop on the Hyundai. I saw the Hyundai accelerate W/B Lake at a high rate of speed, failing to yield for Officer's Keim and Weber.

I saw Officer's Keim and Weber's emergency red lights were on and I heard their siren, as they pursued the Hyundai W/B Lake Blvd. We activated our lights and siren becoming the second patrol car in the pursuit. The pursuit continued N/B College Blvd. from Lake Boulevard at a high rate of speed. See Officer's Keim and Weber's report for additional details of speeds, streets traveled and additional traffic violations Fraser made in his attempt to evade us.

We located the Hyundai parked in the driveway of 2306 Back Nine, with its lights on and unoccupied. I ran to the rear yard of the residence. I saw Fraser running N/B across the golf course fairway behind the residence. I shouted at Fraser, "Stop. Police," as I ran after Fraser. I lost sight of Fraser, as he ran into the bushes on the north side of the fairway. I ordered Fraser several times to come out of the bushes with no response. I directed responding units to the location, where I knew Fraser to be hiding in the bushes. Numerous commands were given by myself and other police officers on scene for Fraser to come out of the bushes. There was no response from Fraser.

K9 Officer A. Trabelsi deployed his police dog to search the bushes for Fraser. Fraser was located by Officer Trabelsi's police dog and taken into custody. See Officer Trabelsi's report for additional details.

Officers M. Wheeler and A. Esswein (6B) impounded the listed Hyundai.

**INDIVIDUAL/S****REPORT NARRATIVE****BACKGROUND:**

On 07/14/14, we received a "Be on the Lookout" (BOL) for Brandon Fraser (DOB 07/17/14) who was a burglary suspect. Fraser had an active warrant for his arrest (SCN321208). Fraser's last known vehicle was a white 4 door 2006 Hyundai Elantra ( ). Additionally, when a warrant was served at his last known address firearms were seized and it was unknown if Fraser was armed.

**ORIGIN:**

Officer Keim and I are currently assigned to the uniformed gang suppression unit for the Oceanside Police Department. Our primary duty is to identify and document gang activity throughout the City of Oceanside. On 07/15/14 at approximately 1900 hours, Officer Keim received a call from US Marshalls Kevin Lainey regarding Brandon Fraser. The US Marshalls were actively observing Fraser at . The US Marshalls called Officer Keim to provide assistance with apprehending Fraser. We were in full uniform driving in an unmarked police vehicle.

**OFFICER'S OBSERVATIONS AND ACTIONS:**

Officer Keim informed and asked for the assistance of Officers McCutcheon, Williams, Lopez and Munoz. We all went to the surrounding area of .

At approximately 1940 hours, the US Marshalls informed us Fraser was leaving the residence in his white 2006 Hyundai Elantra ( ) towards Emerald Drive on Fieldgate Road. We observed the 2006 Hyundai Elantra (CA ) turn southbound onto Emerald Drive from Fieldgate Road. We got behind the Fraser on Emerald Drive. Fraser continued southbound on Emerald Drive approaching Lake Blvd. Fraser made a right hand turn from Emerald Drive onto Lake Blvd on a red light without stopping behind the limit line, a violation of CVC 21453(a) Circular Red or Red Arrow.

I followed the vehicle onto westbound Lake Blvd and waited for other units to get behind us before we initiated a traffic stop on the vehicle. Officers McCutcheon and Williams got behind us and then Sergeant Weese got behind Officers McCutcheon and Williams. I activated our overhead lights and siren near the intersection. Fraser did not yield and continued westbound on Lake Blvd. Fraser accelerated to approximately 75 miles per hour, violation of CVC 22350 Basic Speed Law. I continued after the vehicle.

Due to its speed, Fraser's vehicle went into the eastbound traffic lanes just west of Skyhaven Lane and Lake Blvd, a violation CVC 21650 Right Side of Roadway. We approached the intersection of Lake Blvd and Thunder Drive. I saw K-9 Officer Trabelsi pulled over at the curbline of Lake Blvd just west of Thunder Drive. I yielded to Officer Trabelsi but he ended up in the third position. I accelerated to catch back up to Fraser and continued westbound on Lake Blvd. I saw Fraser not stop behind the limit line at Lake Blvd onto northbound College Blvd, a violation of CVC 21453(a) Circular Red or Red Arrow.

We got to the intersection of College Blvd and Lake Blvd and saw Fraser traveling northbound on College Blvd in the number one lane. Fraser weaved in and out of traffic at the intersection of Plaza Drive and College Blvd without using its turn signal, a violation of CVC 21658(a) Unsafe Lane Change. We continued northbound after Fraser. Fraser entered the intersection of College Blvd and Vista Way. I initially thought Fraser was going to make a left hand turn onto westbound Vista Way but Fraser continued northbound on College Blvd in the southbound lanes against traffic. I stayed in the northbound lanes and slowed down continuing northbound. At this point, Fraser was approximately 500 yards in front of us. I saw Fraser make a left hand turn onto westbound Roselle Avenue. We made a left hand turn onto Roselle Avenue. We had lost sight of

We continued traveling to the intersection of Roselle Avenue and Cameo Drive. A witness pointed westbound on Cameo Drive. We continued westbound on Cameo Drive. When we approached the intersection of Cameo Drive and Rancho Del Oro Drive we turned southbound on Rancho Del Oro Drive. We continued southbound on Rancho Del Oro Drive. We saw a witness standing on the sidewalk between Tournament Drive and Golfers Drive pointing out that the vehicle had made a right hand turn onto Golfers Drive. We turned right onto westbound Golfers Drive. We continued on Golfers Drive. We approached Golfers Drive and Birdie Drive. A witness standing on Birdie Drive pointed westbound on Birdie Drive. We made a left hand turn on to Birdie Drive. We continued around the bend onto Back Nine Drive. In front of [REDACTED], Fraser's vehicle (the white 2006 Hyundai Elantra [REDACTED]) was parked in front of the residence and no one was in the vehicle. Officer McCutcheon ran through the backyard of the residence. Officer Keim and I ran down a trail just west of the houses that led to the El Camino Country Club golf course. I saw Officer McCutcheon start sprinting towards a bush near hole #14. A perimeter was set up around the bushes and an adjacent hillside.

We gave commands for Fraser to exit the bushes. We organized an arrest team and K-9 Officer Trabelsi arrived a short time later and he deployed his police K-9 which located Fraser in the bushes. See K-9 Officer Trabelsi's report for details. Fraser walked out of the bushes with the K-9 and immediately fell to the ground on top of his hands under his body. Officer Williams used a Def-Tec 40 mm less lethal munitions on Fraser. See Officer Williams' report for further details.

Fraser was taken into custody and transported to Tri City Medical Center See Officer Keim's report for details.

**INDIVIDUAL/S****REPORT NARRATIVE****ORIGIN:**

On 07/15/14 at about 1918 hours, GSU Officers attempted to conduct a traffic stop of a white Hyundai sedan (CA plate [REDACTED]) in the area of Lake Boulevard and Skyhaven Drive. The vehicle fled from the officers and a pursuit ensued.

**OFFICERS OBSERVATIONS AND ACTIONS:**

The GSU Officers' attention was drawn to the vehicle after U.S. Marshals provided information to them that the vehicle was occupied by a wanted subject identified to be Brandon Fraser. Furthermore Fraser's information had been broadcast on a "BOL" bulletin provided on 07/14/14 by the OPD Crime Analysis Unit. The BOL listed Fraser as having an outstanding felony warrant and probable cause for a burglary in which firearms were taken from a residence located in the City of Encinitas.

I responded to assist GSU Officers. I was traveling eastbound on Lake Boulevard near Skyhaven Drive when I saw the GSU Officers attempting to stop the vehicle which was traveling westbound on Lake Boulevard. The vehicle accelerated and a pursuit ensued. I made a U-turn and began following the pursuit. I continued to follow and monitor the pursuit. (See the attached officers' reports for details) Fraser was able to elude officers for a short period of time in the area of Rancho Del Oro and Cameo Drive. Officers checked the area and located the car in a driveway on Back Nine Street. Several Officers arrived on scene, began setting up a perimeter, and were looking for the suspect. Shortly after, Officer McCutcheon saw Fraser run to a brush area on a golf course located next to where he fled from his vehicle.

K-9 Officer Trabelsi arrived on scene and I directed him to begin giving K-9 announcements. After making several announcements, Officer Trabelsi deployed his K-9 partner who located and apprehended Fraser. Fraser was ordered to exit the brush where he was secreted and to lie on the ground. As Fraser was lying on the ground, he kept his hands under his torso and near his waistband. He was given commands by Officer Trabelsi to show his hands to the officers but failed to comply.

Officer Williams deployed a 40 MM sponge round and struck Fraser with the round. Fraser was given more commands to show his hands but still did not comply. Officer Williams deployed a second 40 MM round that struck Fraser. Fraser then complied with the directions of the officers and was taken into custody. K-9 Officer Trabelsi immediately requested OFD paramedics to respond and treat Fraser for his injuries.

I could see that Fraser sustain lacerations to his left arm as a result of the K-9 apprehension. Later at Tri City Hospital where Fraser was transported, I saw that along with the lacerations to his left arm, he also had redness and swelling to the upper left side of his back. Field Evidence Technician Medford arrived and obtained photographs of Fraser's injuries. While at TCMC, I activated my digital recorder and contacted Fraser for the purpose of conducting an administrative interview. Fraser refused to provide a statement. I later booked a copy of my interaction with Fraser into OPD evidence.

I later reviewed the dispatch CAD for this incident and determined the pursuit lasted about 5 minutes. After speaking with the officers involved and surveying the scene, I determined no one was injured during the pursuit and there was no property damage. I directed Officer Keim to complete the CHP 187 form documenting the pursuit.
